The Hoxie Trophy series of three races were held July 2, 3 and 4. On account of the heavy squall on the 4th no stars finished—so the race of July 30th was counted in to finish the 3rd race—it was a nip and tuck race between G. Aitken Jr, of the H. Y. C. and the Stoeffler brothers—L. P. Y. C. If my figures are correct the Stoeffler boys won by one point. Charlie Ulmer of the H. Y. C. carried off the honors for the July 30th race with his new Aitken built boat.

The Sidney J. Treat Trophy race was held on August 28th. This 25 mile event was also won by the Stoeffler Brothers of Locust Point Y. C.

The Bates Trophy Race is the next big event. This trophy is a H. Y. C. prize for the Star which qualifies and has the best % in the races sponsored by the Harlem Yacht Club.
