

Harlem Yacht Club 2017 Rear Commodore's Regatta Notice of Race

Rear Commodore Frank Cavacini cordially invites all club sailboats to take part in the Rear Commodore's Regatta, to be held on Saturday, September 9, 2017.

The Regatta will be one race, run as a pursuit race, in which each boat's handicap allowance is built into her starting time. Starting times will be staggered in reverse order of PHRF handicaps, with the boat with the highest PHRF rating starting first. Starting time allowances will be calculated from PHRF handicap ratings using time-on-distance scoring and the race distance.

A decision on whether there will be one or two divisions will be made before the regatta.

The first start will be at 1300 in Eastchester Bay. There will be a skippers' meeting at 1130 at the HYC clubhouse.

The race will be followed by refreshments on the clubhouse deck.

Sailing instructions will be available at the skippers' meeting or at <http://hyc.org/racing/>

Entry fee: \$20.00

All boats considering entering are urged to indicate their intention to race as early as possible so that starting time allowances can be determined. To do so, or for more information, please contact:
